

Dear Rick,

It is difficult to express how appreciative our family is of not only the expression of sympathy and the donation in memory of Helen Casner made by your staff and Board of Directors but also of the wonderful loving care extended to all of us during her stay at Abrams/Greenwood House.

Please convey our thanks to everyone who contributed to the donation. Helen loved living at Abrams, and we are thankful for everyone who had a part in making her last years in general so happy. Even with recent adversities (Parkinson's deterioration and Covid-related challenges) we consistently were helped, encouraged, and comforted by everyone with whom we came in contact. This support truly made a difference during this difficult time.

Thank you again.

Take care, and stay safe.

Debra Handler & Mark Casner
