Dear Greenwood House Staff:

Saying the words Thank You, and Grateful seem so inadequate in trying to express our appreciation for ALL that YOU are doing for the residents of Greenwood House. YOU are ALL OUR HEROES!! Your dedication to your jobs and the compassion you show to our Loved Ones is so so appreciated!! We know that you are working harder than ever trying to keep our loved ones safe and well, and we know this is no easy feat. Your courage is undeniable!!

Thank you to each and every one of you!!
