

CARING IS SERVING AND GIVING
FROM THE HEART

Greenwood House

Sharing the Past. Embracing the Future. Enhancing Well-Being Since 1939.

2020 Greenwood House Membership Campaign

At Greenwood House, every act of our team is delivered with an extra dose of compassion. Consistently, our entire staff gives from their hearts to ensure loved ones receive the highest standard of care. In turn, our team relies on the generosity in the hearts of our donors to continue to support the great work at Greenwood House.

YOUR GIFTS ALLOW US TO:

- Expand our services at our skilled nursing residence
- Provide state-of-the-art technology to support health restoration
- Enhance opportunities to meet social, spiritual and emotional needs
- Provide creative arts, music concerts, multi-faith opportunities and weekly Shabbat services
- Deliver nutritious meals through our Kosher Meals on Wheels Program
- Provide outcome-focused rehabilitation services and supportive care for medically complex conditions, and so much more

As a not-for-profit senior care provider, we need your support.

Six out of seven long-term care residents rely on Medicaid. That means we have to cover \$125 per day per resident through generous gifts. Membership support like yours is critical to sustaining our high standard of care, mission and lifestyle.

Help Support Greenwood House with Impact Gifts
