April 30, 2021

To Our Residents, Family Members and Staff

WELCOME BACK FAMILIES AND FRIENDS! WE MISSED YOU!

As you know, on April 1, 2021, Greenwood House welcomed family members and friends into the facility to finally visit with their loved ones.

The visits have been going well and a social services reminder re: '*indoor visiting procedures*' are included at the end of the letter.

We are anxious to begin outdoor visits as well but the weather has not been very cooperative. We will let you know when they will begin.

To test for COVID, Greenwood House continues to use antigen testing that gives a result within 15 minutes of collecting the specimen and we are also using the PCR tests that are sent out to the lab and can take up to 48 hours to process and get the test results.

We are pleased to report that there have been no further staff or residents testing positive for COVID and our residents are doing well.

Greenwood House continues best practices in prevention through mandatory screening of staff and residents; immediate proactive testing for persons with any symptoms; strict adherence to the in-house visitation policy and outside visits by appointment only; mandatory use of personal protective equipment (PPE) and many other measures.

We continue to recognize that contact with family and friends is very important to you and our residents. Please let us know if you are having any problems communicating with your loved one. Your positive messages and actions mean a great deal to our staff who continue to face many challenges as they come to work each day.

We appreciate your understanding and patience.

Sincerely,

A handwritten signature in cursive script that reads "Richard Goldstein".

Richard Goldstein
Executive Director

FROM OUR SOCIAL SERVICES DEPARTMENT
REMINDER

Scheduling

Effective Monday 4/19, to schedule your visits, you may contact either Cara Willis (ph.: 609-883-5391 x320, email: cwillis@greenwoodhouse.org) or Jenna Tiberi (ph.: 609-883-5391 x336, email: jtiberi@greenwoodhouse.org).

We continue to offer indoor visitation 7 days per week, at the following time slots (30 minute visits): 10:00, 11:00, 1:30 and 2:30.

Indoor vs. Outdoor Visits

We have all been waiting patiently for the weather to be consistently warm enough to offer outdoor visitation in addition to the indoor visits. We do hope Mother Nature will offer more consistent 65+ degree days in the coming weeks. The primary visit mode at this time continues to be indoors.

Age Restrictions

For outdoor visits, we **WILL** permit visitors under age 18, but not younger than 2 years old. For indoor visitation, we prefer visitors over age 18 at this time.

Number of Visitors

For outdoor visits, we will permit more than two visitors per resident at a time. When possible, please limit the number of visitors to 4 or fewer, and please discuss the number of visitors when scheduling your visit.

Thank you,

Cara
