Dear Greenwood House Hospice,

My name is Elaine Levine, daughter of Sylvia T., and I just want to tell you how pleased I am with every single person that has come to the house from the nurses to the social workers to Byron and even to the gentlemen that delivered her bed-- you were the best thing that ever happened for my mother and me.

I just wanted to say thank you for talking to me and talking me through everything and educating us to do this.

Thank you all again.

Have a great day,

Elaine Levine
